Commissioner:

I hereby certify that I am the attorney of record in this application and am authorized to execute this disclaimer on behalf of the three named inventors Mark A. Presser, Harry Zimmerman, David Harilela (the "Applicants"); and I further certify that the evidentiary documents have been reviewed and that Applicants, to the best of my knowledge and belief, have title to the above-identified application and a corresponding U.S. Patent Application No. 11/124,311.

The Applicants hereby disclaim the terminal part of any patent granted on this instant U.S. Patent Application No. 10/828,635, which would extend beyond the expiration date of any U.S. Patent that may issue from U.S. Patent Application No. 11/124,311, and hereby agree that any patent so granted on this instant U.S. Patent Application No. 10/828,635 shall be enforceable only for and during such period that the legal title thereto shall be the same as the legal title to any U.S. Patent that may issue from U.S. Patent Application No. 11/124,311, this agreement to run with any patent granted on this instant application and to be binding upon the grantee, its successors or assigns.

**Application No. 10/828,635**

In making the above disclaimer, the Applicants do not disclaim the terminal part of any patent granted on the instant U.S. Patent Application No. 10/828,635 that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of any U.S. Patent that may issue from U.S. Patent Application No. 11/124,311, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements and the like, so made, are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and further that such willful false statements may jeopardize the validity of the application and any patent issuing thereon.

Respectfully submitted,
